MISSION STATEMENT

The purpose of The Run the Race Club is to provide programs that promote the personal and education achievement of young people living in poor, inner-city areas. It is founded on the Judeo-Christian principles that loving, personal, committed attention is still the best "program" around when it comes to helping others. Our mission is to love the children and their families and to establish friendships and relationships with them and to offer them resources and activities to promote their personal and educational development.

THE RUN THE RACE CLUB The Run The Race Club, established in 2005, is located in inner city Columbus.

It is an after school, pre-school and Center School program for children and youth in grades pre-school-12. RTR provides a safe and loving atmosphere where children go to play, learn and study.

RTR is staffed by volunteers with a strong-Judeo-Christian background. We believe the best way to influence the children and young adults is through consistent, loving and individual attention. Daily activities include:

reading . music . crafts . board games
tutoring in academic subjects
sports including:
basketball . soccer . softball . football
woodwork & bicycle repair shop

A healthy snack and meal is provided during each visit, ensuring that at least 50 children a day are not going to bed hungry that night.

RTR provides daily scripture lessons from the Bible. During each visit to the club, youth and adults discuss how the scripture can impact their attitude and behavior in daily life.

HOW WE HELP FAMILIES

All families experience months when unexpected expenses can seem overwhelming. In low income families when someone is sick and needs to go to the doctor, the car needs a repair, or someone loses a job, these expenses can be overwhelming.

To help during these difficult times, RTR provides clothing, food, furniture, appliances, toys and more to the families in our community.

All activities and services are provided free of charge to the children and their families.

BRIAN MUHA FOUNDATION

The Run The Race Club was started by the Brian Muha Foundation, and is a 501c3 not-for-profit charitable organization.

The foundation memorializes Brian Muha, a student at Franciscan University in Steubenville, who was killed by a random act of violence. The foundation honors his kind and charitable spirit by helping others who are in need. The Brian Muha Foundation does not receive government funds nor is it an agency of a church.

Foundation and Run the Race Club Values

In all our work we will remember that the boys and girls we serve come first. We are here for them. We place a great value on the dignity and worth of each individual person. Each individual, even the most disadvantaged in society, has the right and obligation to achieve his/her human and spiritual potential.

We will focus on building the strength and character of our youth so they are of service to their family, community and society. This is accomplished via role modeling and personal attention to youth regarding their attitude, behavior, questions and concerns.

GOALS

Our goal is to focus on the children, on their potential and on helping them develop that potential. Run The Race's primary goal is to have an inner city RTR Club Center open every day, ready to help the children develop morally and intellectually, acquiring the virtues and attitudes needed for ever-lasting happiness. We welcome young people of all ethnic, cultural and religious backgrounds.

"...LAY ASIDE EVERY ENCUMBRANCE... WHICH CLINGS TO US AND PERSEVERE IN RUNNING THE RACE WHICH LIES AHEAD..."
